Wine Tasting and Grape Therapy

When: Saturday, October 28th 2017

Time: 3:00 p.m., 6:00 p.m. – 9:00 p.m. is Grape Therapy.

Where: One Jeremiah Lane, Pittstown, NJ

Costs: 5.00 for Wine Tasting, 15.00 if you care to add a cheese pairing, 10.00 cover for Grape Therapy.

What is Grape Therapy? As the name suggests, you sit around with friends, enjoy live music and good wine. If the weather is nice, Grape Therapy sessions are held outside on their beautiful stone patio centered around a cozy bonfire. If the weather is inclement, there is a heated greenhouse surrounded by live fig, lemon and palm trees. You can bring your own food but you must buy wine on the premises. You will not be disappointed. There is also a featured food truck every week that you can buy food from. See the website below for information on the featured band and food truck. I believe the food truck will be the Flying Pie Guy (authentic, all natural, savory Australian pies). The band has not been announced yet.

3:00 is just a suggested time for arrival. I want to get there early to enjoy a wine tasting. If it is crowded, they will suspend wine tasting between 4:00 and 7:00p.m. At 4:00, they start charging by the car (10.00 a person) for the grape therapy session. If you don't want to attend grape therapy, definitely arrive before 4:00 p.m.

There is no signup necessary, just show up around 3:00 p.m. and we will enjoy a wine tasting. You can buy a bottle of your favorite (mine is Shotgun Red) and enjoy it with Grape Therapy. They will sell you wine glasses for 2.00. You can keep it as a souvenir or return it afterwards and get your money back.

Travel and Leisure Magazine rates them Top 25 Vineyards in the U.S. Read some of the accolades on their website.
